

Dear brothers and sisters, with God's help, we will continue to serve God and the people of Poltava.

We hold Bible classes for refugees and Christians twice a week, about 20 people gather.

We also enroll new people for humanitarian aid. We didn't give anything away last month, but we got ready to start a new job this month.

Our plans: help for refugees, locals, women with small children and our Christians.

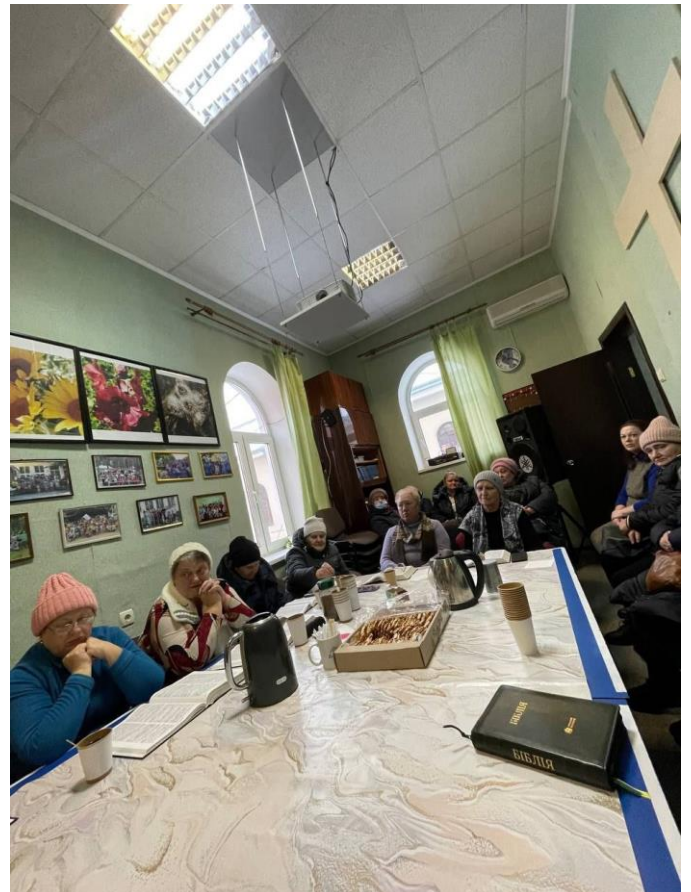

We also plan to change the Church building, because the place we rent now is too small for the service, we don't have enough space on Sunday. We can accommodate a maximum of 30 people, more than 30 come to us.

Our lessons on the book of Acts.

Lessons from the Gospel of Mark.

Singing classes, we develop our voice, vocals.

Our youth meetings, and classes 1 to Timothy.

Thank God for everyone who joins the ministry in Poltava, each of us sends you our love, hugs, and for everything, glory and praise to God!
