Wake-up Iowa!

“The Power of Our Lives in Christ”

Join us for an afternoon of prayer and song to our Father, the greatest illustration of love we will ever know. Our prayers will center on each example God has set before us, from Christ or perfect example, to ourselves being the example for our family, friends, and community. The songs will encourage each brother and sister to continue the good example you have been shown through these troubling years and ignite the power of the gospel of Christ to shine brighter and wake-up Iowa!
