

May 20, 2013

Dear brethren,

In the past three years, the Lord has blessed me with life and health that continues to improve, so I desire to give the remainder of my days in service to Him. My brother-in-law, Samrit Kammanee labors in Kalasin, Thailand and Lord willing I will be assisting him in the work there. Plans are to make two trips per year (four to eight weeks in duration) to teach native men and also weekend Bible schools to the congregations in the provinces around Kalasin in northeast Thailand.

Enclosed is a DVD about these plans and about my understanding of the scriptural methods of missions. Please take time to watch this 27 minute long video presentation. Lord willing there will be more of these DVD productions in the future to report on the efforts there and show these methods in action to those who are interested and to our supporters.

You will also find a recommendation and letter from the overseeing elders of my work. Please consider your ability to assist me in this work to win lost souls in northeast Thailand and also to ground brethren in the truth through the weekend Bible schools. (There is a need for both one-time contributions and regular monthly support). Also when you plan your budgets later this year, please keep me and this work in mind as one of your regular mission works to support in 2014.

As always, if you have any questions or desire further information, please contact me or the Stony Point elders and we will get that information to you. I am available as well to come meet with you or present this work to the entire congregation. Thank you for your consideration. If you are already a supporter then I hope you will enjoy the DVD.

For the Cause of Christ,

Paul H. Powers

To whom it may concern:

We, the undersigned eldership, want to make known that we are proud to be the sponsor congregation for the mission efforts of Brother Paul Powers. Brother Powers will be under the oversight of Stony Point Church of Christ in Florence, Alabama. It is our intent to be the point that all financial assistance to him be sent, and we will distribute the monies as needed per the instructions of Brother Powers. A dedicated man to the Lord, we know that he will be very instrumental in bringing souls to Christ in Thailand and others areas he may be working in. We encourage you to consider helping this man return to his first love of working with the good people of Thailand. If you have any questions concerning the above work, please call us at 256-764-8856.
